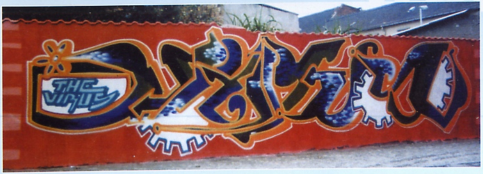
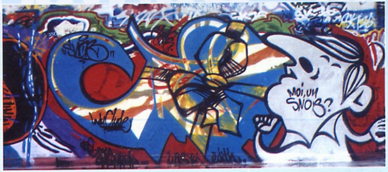
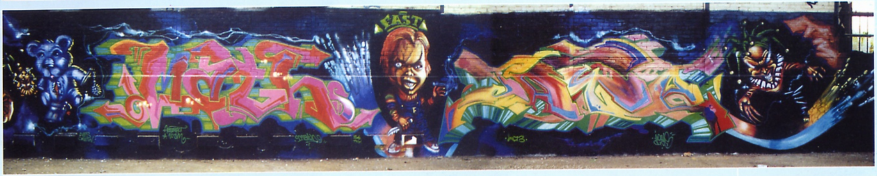
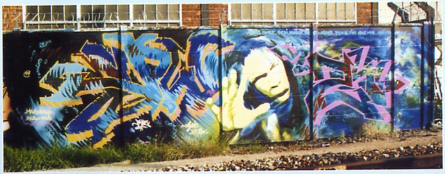
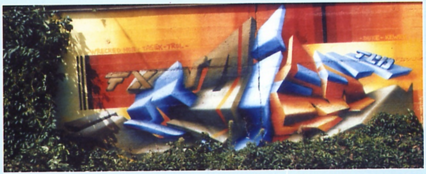
BAGNOLET 1999

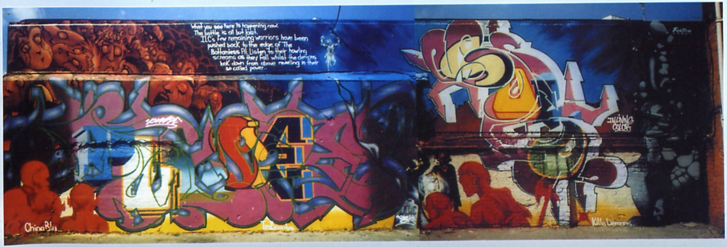












What you see here is happening now.
The battle is all but lost.
ILC's few remaining warriors have been
pushed back to the edge of The
Bottomless Pit. Listen to their howling
screams as they fall whilst the demons
look down from above revelling in their
so called power...

Dans la rue comme sur toile chaque pièce est une longue exposition. J'utilise aussi le graffiti comme une langue universelle. Lors de mes voyages j'ai fait la rencontre d'autres peintres dont j'ai pu apprécier le talent. Cela est toujours amusant de travaill tous ensemble, de nouvell couleurs, tous styles différentes dimensions de mur A mon avis, mon style e quelque chose d'importan

j'essaie de mettre en valeur les trois dimensions et dans celles-ci je laisse place à mon imagination et mes fantaisies.
